UNBEATABLE STRENGTH

Shutter Pros is proud to offer the strongest roll formed aluminum rollshutter available in the industry. Made from high quality aluminum and stainless steel components, and insulated with a hard resin core, they provide the ultimate security solution for cannabis dispensaries, liquor stores or for any location often targeted by vandalism, break-ins and theft.

CUSTOM MADE

Our Rollshutters are custom made and specifically tailored to fit any application. They are made in our state-of-the-art manufacturing facility and are uniquely designed to create a long-lasting security solution.

STYLISH & SOPHISTICATED

Shutter Pros products are designed to combine purpose with appearance. During operating hours, they roll up into a compact panel box to provide an unobstructed view. When down during closure periods, they blend seamlessly into your building design.

EASILY OPERATED

Rollshutters can be operated manually or by motorized control, either individually or as a group. Motorized group control makes closing time effortless. Shutter Pros offers high security key switches, key pads, remote control, timers, battery backup capability and more. For even greater convenience, they can be integrated into your building automation and alarm systems. Operate them remotely while on vacation or working from home or, in the event of a fire, they can be set to automatically rise to provide access.

COMBAT GRAFFITI WITH ANTI- GRAFFITI COATING

Graffiti is a costly problem retail locations are often faced with, but Shutter Pros has the ultimate solution.

Our unique anti-graffiti coating with outstanding resistance to chemicals, is designed for maximum surface protection. It is a one time application applied during the time of manufacturing, that will not wipe away when graffiti is removed. Anti-graffiti coating also provides a durable abrasion resistant surface to minimize scratches.

- Prevents damage and reduces cleanup costs
- Environmentally friendly
- Preserves your storefront image

Shutter Pros anti-graffiti coating provides long lasting protection which makes it an ideal choice for rollshutters installed in areas where property crime is a concern.
